I understand and agree that if I give any untruthful information on this form, I forfeit any and all privileges to participate in any and every aspect of the sport of drag racing. I affirm that I have read, understand and agree to be bound by all NHRA rules, regulations and agreements including, but not limited to, those contained in the applicable NHRA Rulebook, with specific reference, but not limited to the rules regulations and agreements contained in the Administration Procedures and Appeals Section of the applicable Rulebook which are incorporated herein by reference. I know that the NHRA Rulebook, including amendments, is available to me online. I agree that participation in any and every aspect of the sport of drag racing is a privilege, not a right, and I wish to participate in accordance with all of the foregoing. I further affirm all of the following: Drag racing is a dangerous sport. There is no such thing as a guaranteed safe drag race. Drag racing always carries with it the risk of serious injury or death in any number of ways. This risk will always exist no matter how much everyone connected with drag racing tries to make our sport safer. Although NHRA works to promote and enhance the safety of the sport, there are no guarantees that such safety measures will guarantee or ensure my safety. I as the participant always have the responsibility for my own safety, and by participating in drag racing, I am accepting all risks of injury, whether due to negligence, vehicle failure, or otherwise. If at any time I do not accept these risks, I will not participate in drag racing. I understand the NHRA Competition Number is issued solely for participation in drag racing on NHRA Member Tracks.

**APPLICANT'S ACKNOWLEDGEMENT OF RESTRICTED MEDICATIONS:** I state and affirm that I have read and understand the following classifications of medications and/or substances that are not allowed for use by any participant: all blood thinners, amphetamines, cocaine, marijuana (cannabis, THC), opiates and phencyclidine (PCP). NOTE: I understand that if there is a possibility that I have taken a medically prescribed Prohibited Substance, it is my responsibility to inform the NHRA National Field Office so that a medical review can be undertaken to determine whether it is acceptable or not. I understand that NHRA's Supervisor of Medical Affairs will make final decisions concerning medical drug clearance issues. I will cooperate in facilitating the medical review including without limitation providing requested medical records and undergoing a physical exam or other testing. I understand that this list of Prohibited Substances in Section 1.7 is for the purposes of this Substance Abuse Policy only and does not limit the substances medically reviewed and allowed or disallowed for purposes of licensure and other participation in NHRA racing, and that further information is in the NHRA Rulebook Section 1.6.1 regarding licensure.
